HAMPTONS, NY-

There's a new resource designed to make finding art easier in the Hamptons and on the East End. Hamptons Art Hub is introducing a Hamptons Gallery Guide that lists all the art galleries on Eastern Long Island. At a quick glance (or a long look), viewers can discover active art galleries presenting fine art in the Hamptons, on the North Fork and in Riverhead on Long Island.

All told, there are 50 galleries listed.

Each listing includes the gallery name, address, website and type of art presented.

Galleries are presented according to location. Hamptons galleries are listed first, according to town. Art galleries on the North Fork and Riverhead follows next.

The Hamptons Gallery Guide is located in the Hamptons Art Hub Directory, located on the Home Page. Click the following link to check it out: hamptonsarthub.com/directory/hamptons-art-galleries.

As the gallery scene expands and changes, the listing will change too. This ensures the Hamptons Gallery Guide will continue to be an accurate and a comprehensive resource for the Hamptons gallery scene and the art hot spots on the North Fork.

We hope you'll find the new Hamptons Gallery Guide helpful in your search for art on the East End.

BASIC FACTS: The Hamptons Gallery Guide can be found in the Directory at HamptonsArtHub.com. For a direct link, click here: hamptonsarthub.com/directory/hamptons-art-galleries. While the name implies the guide is for Hamptons art galleries only, the list includes North Fork art galleries and those found in Riverhead.
