April 15, 2014

by Hamptons Art Hub Staff

The Parrish Art Museum's "Spring Fling" benefit drew in the art crowd to help celebrate the impending arrival of warm weather and fun times while helping support the art museum. Around 350 people noshed, sipped cocktails, engaged with the silent auction items or danced to the band Noiz at the benefit held April 5, 2014.

Following are some of the scenes that unfolded during the evening:
