“Spring Exhibition” is the first of three exhibitions to be held across the Hamptons this season. One of the traditions held by the East End Photographers Group is the creation of a graphic photography image for its exhibition card. The “Spring Exhibition” postcard was created by members Nick Tarr and Gerry Giliberti.

The poster is a homage to the posters of the sixties, specifically referencing The Grateful Dead, the Kelly Mouse Studio and the “whole free wheelin’ era,” according to Tarr.
