

ART SEEN - “exteriors” at LongHouse Reserve

May 29, 2014

by Hamptons Art Hub Staff

LongHouse Reserve recently unveiled its largest exhibition to date—a sprawling show of outdoor furniture created by designers, artists and manufacturers—called “exteriors”.

Presented from May 17 to October 11, 2014, the show features designs gathered in nine outdoor “rooms” set across the 16-acre campus. Even more designs are presented in an interior gallery. The show is curated by associate curator Wendy Van Deusen with LongHouse founder and co-curator Jack Lenor Larsen and co-curators Sherri Donghia and Elizabeth Lear.

A pictorial of selections from the exhibition will publish soon at Hamptons Art Hub. In the meantime, click on the slideshow to see some of the people who made the opening reception of “exteriors” a fun one.
