The **Selfie** is pop culture’s portraiture providing everyone with the opportunity to experiment with the physical and psychological constraints of representing oneself. Inclusive of many styles – expressive, realistic, or abstracted, the **Selfie** is an unveiling of one of the many facets of ourselves, affording the artist and viewer an intimate look into the human condition.

“**The Selfie**” opens with an Artist Reception on Saturday, August 30, from 6 to 9 p.m. The show continues through Thursday, September 4, 2014.
