

Art Round Up - Week of 03.19.15

March 19, 2015

by Sage Cotignola

The Hamptons continues to wake from its visual art slumber with exhibition receptions and artist talks this weekend. Add these to a vibrant live music scene and film screenings on both Forks and there's a lot of art and culture to find on the East End this weekend. Of special note is an open rehearsal at Watermill Center by sculptor and performance artist Tamar Ettun, a talk by exhibiting artist and author Jules Feiffer on his graphic novel, and the first spring concert series offered by the Bridgehampton Chamber Festival. Winterfest continues this weekend so there's plenty of live music to be found.
