by Hamptons Art Hub Staff

Art Hamptons drew a crowd for its 2015 art fair when it opened on July 2, 2015 on a private estate in Bridgehampton. Nearly 3,000 people attended the VIP Previews including A-Listers, art world movers and shakers and members of the Hamptons art community.

The First Look VIP event benefited Guild Hall and the Samuel Waxman Cancer Research Foundation and was hosted by Maria and Kenneth Fishel.

Art Hamptons presents 67 exhibitors set within a 40,000 square foot tented pavilion. In front, were several sculpture installations plus an array of Tesla 2015 Model S P85D available for test drives or to look beneath the hood.
