

# First Picks: Contemporary Art at Market Art + Design

July 9, 2015

by Pat Rogers

When Market Art + Design opens its doors tonight, it will reveal a new focus for its Hamptons art fair. For the first time, the fair includes a curated section on design and will present furniture and objects. Renamed from Art Market Hamptons to Market Art + Design, the name switch acknowledges the shift in pairing fine art with design and placing them on equal footing. (Read [Talking With Max Fishko on Adding Design to Market Art + Design](#) to discover more).
