by Kathryn Heine

The Hampton Designer Showhouse launched with a gala on July 25, 2015 drawing fans and design professionals alike. The Hampton Designer Showhouse, now in its 15 year, features 25 top interior designers and decorative artists who transformed a barn style house. This year's Showhouse is located in Bridgehampton and was provided by Christopher Tufo Design & Build. Proceeds benefit Southampton Hospital.

"Year after year, the participating designers continue to surprise and delight us, creating beautiful spaces," commented Ann Omvig Maine, editor in chief, *Traditional Home*. "We look forward to helping the Showhouse raise funds for Southampton Hospital, so it can provide essential services to the local community."
