

#JulyintheHamptons Images: Final Round

August 5, 2015

by Kathryn Heine

July has come to an end and with the closing of the month comes the end of our #julyinthehamptons hashtag. The response to the hashtag was great and we loved seeing the art and culture our readers experienced in July. The response was so great that Hamptons Art Hub decided to make an #augustinthehamptons hashtag! So keep tagging all your photos on Instagram and Twitter using the newest hashtag so we can see all your art moments.

Check back to hamptonsarthub.com to see highlights from the Hamptons art scene in August using #augustinthehamptons throughout the month.

Meanwhile, check out the final batch of reader images with comments that reveal art moments in the Hamptons shared with the #julyinthehamptons hashtag. Click [here](#) to see round one's picks and [here](#) to see round two's picks.

Thank you to everyone who participated and shared their Hamptons art and culture scenes with us!
