Kontrast will present designs from By Lassen, a classic Danish family company whose products look fresh and inviting within all types of interiors. By Lassen owns the rights to the designs of two of Denmark's greatest architects – Mogens Lassen (1901-1987) and Flemming Lassen (1902-1984).

The Lassen brothers were extremely talented and were honored with many awards and grants for their unique designs and iconic architecture. By Lassen's mission is to carry the Lassen legacy forward because good design lives on through new generations. Kontrast loves the products for their clean yet distinct look and their versatility of use.
