

Your Miami Art Fair Week As Seen Through Social Media

December 8, 2015

by Kathryn Heine

Another Miami Art Fair Week is now behind us. Hamptons Art Hub was down there and so were a few of our readers! We asked you to tag photos of your Miami art and culture experiences with our hashtag #hamptonsarthub on social media.

Below are images with their captions and comments. Thank you to everyone that participated! We loved to see how you experienced the 2015 Miami Art Fair scene.

Follow us on Twitter at twitter.com/HamptonsArtHub and on Instagram at instagram.com/hamptonsarthub to discover art and culture in The Hamptons, New York City and South Florida. Stay up-to-date with Hamptons Art Hub by subscribing to our newsletter in the sidebar.

michele_dragonetti: Numinosity. Numinous: supernatural, filled with or characterized by a sense of a supernatural presence; sublime. With its incredible architecture and glinting sunshine, Miami is a special place to be, and Art Basel activity brings it to a different level. Posting this boat today because it feels a bit like I've left my natural orbit, in so many ways.

See me at Aqua Art Miami through Sunday, booth #220.
