August 24, 2016

by Hamptons Art Hub Staff

The final weeks in August are the quietest time of year for New York City galleries. With the NYC art season about to start, a few galleries have decided to get a jump on September. In this edition of *NYC Galleries Scene*, we've selected shows with Opening Receptions or events taking place through September 4, 2016. Enjoy the quiet...it won't stay that way for long.
