The Artist Profile Archive is an on-line database of videos on contemporary artists. The series of artist profiles, each under 10 minutes, show artists speaking about their work, their educational background, their sources of inspiration, their artistic practice, and other topics from their studios or from a gallery or museum exhibiting their work. Educational, informative and entertaining, these videos also serve as a historical record of contemporary artists.

The Artist Profile Archive airs on LTV Channel 20 in Wainscott, broadcast from The Hamptons.

The current episode features **profiles on Chuck Close, Eric Fischl and Ed Moses** and **airs Tuesdays at 8:30 p.m., Thursdays at 9:30 p.m. and Sundays at 11 a.m. through Labor Day Weekend**.
