Newsted’s *RAWK* will be the Grammy Award winning bassists’ artistic debut, featuring paintings and prints. Half of all sales from both artists will be donated to the **Perry J. Cohen Foundation**, an organization devoted to the advancement of the arts, environmental, marine and wildlife education and preservation, teenage entrepreneurship, and boating safety education. On **Saturday, May 6**, the duo will be on-hand for a question and answer session to discuss their careers and latest exhibitions.

New York Academy of Art will feature the exhibition “Inside/Out,” with paintings, drawings and sculptures that depict landscapes and aspirational places, domestic scenes and interiors of the mind.
