by Pat Rogers

New York is gearing up for the arrival of The Armory Show and Armory Week held in New York City. This year is atypical with ADAA The Art Show leading off (and extending) Armory Art Week with the main event taking place March 6 to 11, 2018. The 2018 edition of Armory Art Week, the larger of two annual art fair weeks in New York, brings with it no fewer than nine art fairs and thousands works of art. Set in various neighbors across New York City, it's a challenge to attend them all. To make planning easier, we've compiled a list of the art fairs presenting work for our Ultimate Art Fair Guide to Armory Week 2018.
