"Opah" by Chuck Seaman. 40 x 60 inches. Courtesy of the artist.

.

Chuck Seaman, an award-winning artist, has spent countless hours perfecting his technique and developing a unique style and interpretation to this printing tradition, and his work has been exhibited across Long Island. Dating back to the mid-1800's, Gyotaku was used to keep records of fishermen's catch and is still utilized today.

.

"Pomfret" by Chuck Seaman. 26 x 38 inches. Courtesy of the artist.

.

Contemporary artists have taken this tradition and brought it forward to bring it into the realm of fine art. Similar to portraiture, Gyotaku pieces are created as artwork. Commissions are also available.
