Hamptons Art Hub’s “BE REAL: Art Inspired by Contemporary Time or Place” is an Online Exhibition curated by Peter Marcelle and Catherine McCormick of [MM Fine Art](#) of Southampton, NY and New York. The art was selected from submissions to an Open Call Art Competition that requested art that reflected some aspect of life being lived right now.

All art was viewed online only with names and descriptions hidden from the co-directors during the judging process. Prizes were awarded to the three art work winners. To discover art selected as Best in Show, Best Fine Art and Best Photography, click [here](#).
