WEST PALM BEACH, FL - Nearly 800 people attended the sold-out Norton Museum of Art's annual Gala on February 2, 2019. The blacktie affair celebrated the opening of the Museum's transformative Foster + Partners-designed expansion. The museum unveiled the expansion to the public in a Grand Opening on February 9, 2019. The museum has been closed since July 16, 2018 for the project's completion and to reinstall the art for the 2019 reopening.

The 2019 Gala doubled as an annual way to celebrate the museum and to preview the Norton's extensive expansion and renovation project. Breaking ground in February 2016, the West Palm Beach art museum expansion was designed by architecture firm Foster + Partners, under the direction of Pritzker Prize-winning architect Lord Norman Foster.

The project added a new wing to the museum (2,000 square feet of new gallery space, representing an increase of 35%); reorients the Norton's entrance on South Dixie Highway, added extensive garden space that includes a sculpture garden, as well as a variety of improvements and upgrades throughout the museum.
