Overall, the January 2020 gallery scene on the East End is already a vibrant one. Multiple interesting shows are already on view with more opening next weekend and beyond. This weekend, Sara Nightingale Gallery opens a trio of solo shows at her Sag Harbor gallery. The Opening Reception takes place on Saturday, January 11, 2020, from 5 to 7 p.m.

While there's no reception or closing event, this weekend is the final weekend to see the solo show "meteors in metamorphosis" by Hamptons artist Saskia Friedrich at Halsey McKay Gallery in East Hampton, NY. Tucked in the second floor gallery, the artist also installed an outdoor sculpture that visually converses with its surroundings in a wooded area not far from the gallery.
