

Parrish Art Museum

June 29, 2013

by Sage Cotignola

The summer of 2012 is the final hurrah for the Parrish Art Museum's location in the Village of Southampton. In November, the museum moves to Water Mill and into a new sprawling building designed by Swiss architects. Until then, the Parrish continues to hold changing exhibitions on Jobs Lane. Open year round.

25 Jobs Lane, Southampton, NY. <http://parrishart.org/>
