

Alex Ferrone

September 1, 2015

by Sage Cotignola

Commercial and fine art aerial photographer, Alex Ferrone, currently presents a unique body of work, *Aerial Observations*, featuring images produced from her time photographing from above our region. Ferrone's exhibitions include solos on the East End and in Italy, and numerous group gallery and museum exhibits regionally and in Italy. Alex Ferrone's commercial and fine art photographs have been published widely in regional, national, and international publications including *Pinhole Journal*, *Wine Spectator*, *Vanity Fair Magazine*, *Wine Enthusiast*, *NYS Travel & Tourism Guide*, and *The Wall Street Journal*; and have been featured in numerous online magazines.
