by Sage Cotignola

VJS Studio provides unique custom framing for clients located on the East End of Long Island to New York City. With over 25 years of experience in custom picture framing, we offer a vast selection of frames not found in many frame shops ranging from beautiful hardwoods to gold leaf frames. VJS is knowledgeable about all the latest trends and can provide beautiful framing for every need and budget.

All of our framing is done in our East Hampton Studio by our friendly and knowledgeable staff who can provide the information and advice needed to make your framing project a rewarding and enjoyable experience.

VJS Studio is located at 24 Gingerbread Ln, East Hampton, NY 11937. www.vjsstudioframers.com.
